

# Internal Medicine

Portland Veterinary Emergency and Specialty Care's team of internal medicine specialists can help animals with a variety of diseases and illnesses including infections, immune-mediated, pulmonary, endocrine, liver, kidney, intestinal, and urinary issues. PVESC utilizes laboratory services, ultrasound, and various scoping techniques to help achieve a definitive diagnosis for the best treatment plans and outcomes possible.

## TYPES OF REFERRALS

Medical Consultations offered Monday through Friday

Ultrasonography

- Medical consultation with ultrasound offered Monday through Friday
- Ultrasound with no medical consultation offered Saturday

Endoscopy

- Gastroscopy, Colonoscopy, Rhinoscopy, Bronchoscopy, Canine Cystoscopy offered Monday through Friday

On-call internal medicine services available outside normal business hours based on PVESC emergency service recommendation.

## PATIENT REFERRAL

The PVESC internal medicine department is open Monday through Friday, 8:00am through 5:00pm. Veterinary hospitals can refer patients to the PVESC internal medicine service by phone, 207-878-3121 option 4, or by emailing [specialty@pvesc.com](mailto:specialty@pvesc.com). If emailing, please note "internal medicine referral" in the subject line, attach the patient records and veterinary referral form. A copy of the Veterinary Referral Form is included in this portfolio, and an editable PFD can be found on our website, [pvesc.com](http://pvesc.com), in the "For Veterinarians" section. Once the records are received, we will contact the client to schedule a consultation. Clients are welcome to call us directly as well, at which time we will request the patient records and referral form from the referring veterinary hospital. Veterinarians are welcome to email or call directly with any case and referral questions.

To reach our internal medicine department, please call 207-878-3121 or  
email [specialty@pvesc.com](mailto:specialty@pvesc.com)

Location: 739 Warren Ave, Portland ME 04103
