

Neurology

Neurology is concerned with the diagnosis and treatment of disorders in the brain, spinal cord, peripheral nerves, and neuromuscular junction. PVESC's board-certified veterinary neurologist and neurology team are committed to high-quality medicine, surgery, and patient care.

NEUROLOGICAL CASES, SURGERIES AND PROCEDURES

By appointment or on an emergency basis, our neurologist manages dogs and cats with seizure disorders, inflammatory/infectious meningoencephalomyelitis, cognitive or behavioral changes, traumatic brain injury, neurodegenerative disorders, lower motor neuron disease, intervertebral disc disease, neuropathic pain, neuromuscular disorders, and more. Our neurology team can treat certain conditions with surgical decompression. This includes decompressive spinal surgeries for intervertebral disc disease (hemilaminectomies for thoracolumbar spine, ventral slots for cervical spine, and dorsal laminectomies for lumbar or cervical spine). They also perform other specialized procedures such as spinal taps, muscle/nerve biopsies, and more.

PATIENT REFERRAL

Veterinary hospitals can refer patients to the PVESC neurology service on weekdays by phone, 207-878-3121 option 4, or by emailing specialty@pvesc.com. If emailing, please note "neurology referral" in the subject line, attach the patient records and veterinary referral form. A copy of the Veterinary Referral Form is included in this portfolio, and an editable PFD can be found on our website, pvesc.com, in the "For Veterinarians" section. Once the records are received, we will contact the client to schedule a consultation. Clients are welcome to call us directly as well, at which time we will request the patient records and referral form from the referring veterinary hospital. Veterinarians are welcome to email or call directly with any case and referral questions. For after hour and weekend emergency neurology referrals, please contact our emergency department directly.

To reach our neurology department, please call 207-878-3121 or
email specialty@pvesc.com

Location: 739 Warren Ave, Portland ME 04103
